**Waterstone Mortgage Opens New Branch in St. Louis, Mo.**  
*New branch includes an O'Fallon, Mo. satellite office*

**St Louis, Mo. (November 7, 2019)** – National mortgage lender Waterstone Mortgage Corporation is pleased to announce the opening of a new branch office at 11400 Concord Village Ave., Suite G, in St. Louis.

The new office is led by Regional Manager Abraham Rezex, who has more than 15 years of experience in the mortgage lending industry. Rezex will also oversee the branch's satellite office, located at 9371 Phoenix Parkway in O'Fallon.

Rezex cites Waterstone Mortgage's variety of technology solutions as one reason his team was attracted to the company. "We are very excited to utilize Waterstone Mortgage's technology to effectively serve our customers and to build a strong presence in the market," Rezex said. "Using the Waterstone Mobile app, our customers will have the ability to generate pre-approval letters from a mobile device anytime, anywhere. With the clients' consent, their Realtors can do the same."

Rezex's branch will be the first Waterstone Mortgage office in the greater St. Louis area. "St. Louis continues to grow and attract new businesses, making it an ideal location for homebuyers," he said. "The housing market is strong and the builder business is booming."

"Abraham and his team have many of the qualities we look for in a strong branch," said Waterstone Mortgage President & CEO Andy Peach. "Their knowledge of the market, extensive experience in the mortgage industry, and – most importantly – their passion for communicating consistently and transparently with their customers throughout the home loan process make them an ideal fit for our culture."

Waterstone Mortgage offers a variety of conventional, government, specialty, and portfolio loan options, including the Single Loan Close Construction program, medical professional programs, jumbo loan options, and the no-down-payment Wealth Building Loan. The company also offers many no- and low-down-payment options.
