*Mortgage company donates 13 computers to Boys & Girls Clubs of Greater Milwaukee*

PEWAUKEE, WI (October 15, 2012) – Waterstone Mortgage Corporation is pleased to announce that the company has donated 13 computers to the Boys & Girls Clubs of Greater Milwaukee.

The company has also donated Microsoft Office software so that the computers can be used immediately by Milwaukee's youth.

"All young people need positive support in order to reach their full potential," said Eric Egenhoefer, President of Waterstone Mortgage. "We are proud to donate to a charitable organization that helps them achieve their dreams and are confident that these computers will be put to good use."

The donation helps support the mission of the Boys & Girls Clubs of Greater Milwaukee to inspire and empower young people. For more than 120 years, Milwaukee's children have been coming to the Boys & Girls Clubs of Greater Milwaukee to have fun, learn something new and meet positive role models.

"We really appreciate the generous support from Waterstone Mortgage. Their gift of computers will truly make an impact and will increase the opportunity for success to Milwaukee youth who need us most," said Vincent Lyles, President & CEO of Boys & Girls Clubs of Greater Milwaukee.
