Waterstone Mortgage Expands in Delaware, Adding Loan Originator in Rehoboth Beach

Loan Originator Ed Stratton joins the company to serve customers in bay area

REHOBOTH BEACH, DE (April 21, 2017) – National mortgage lender Waterstone Mortgage Corporation is pleased to announce that the company has hired loan originator Ed Stratton to work in the Rehoboth Beach office.

“We’re very excited to have Ed join our team,” said Eric Parsons, who manages the Waterstone Mortgage Rehoboth Beach office. “He brings a very high level of professionalism, in-depth industry knowledge, and an eagerness to really help people. We think he’ll thrive here at Waterstone Mortgage.”

Stratton has several years of experience in the lending industry. He has taken on diverse roles in consumer, small business, and now mortgage lending.

As a member of a military family, Stratton has lived in a variety of locations before settling down in Delaware. This gives him a unique perspective on the moving and homebuying processes that many loan originators may not have.

“During the mortgage process, I take the time to get to know my clients, so I can establish the best solution for their home purchase,” Stratton said. “Whether you are a first-time home buyer, purchasing a second home, or searching for your retirement home, I have the products and knowledge to ensure that you find the best loan for your situation.”

Waterstone Mortgage offers a broad range of products for purchases and refinances, including FHA, VA, USDA, and conventional loans, one-time close construction financing, bank portfolio lending products, jumbo products, and condo financing. As a Fannie Mae, Freddie Mac, and Ginnie Mae approved lender, Waterstone Mortgage is able to deliver loans directly and get its customers to the closing table on time.
